Createspace, United States, 2013. Paperback. Book Condition: New. 254 x 178 mm. Language: English . Brand New Book ***** Print on Demand *****.Once upon a time there was fantasy and there was reality. It was difficult to differentiate. This is reality. There are experiments that go on in our world that we know nothing about. Experiments on mice. Experiments on dogs. Experiments on people. What gives one human being the right to experiment on another human being? Does right have anything to do with it? Do people experiment on people because they can? Do they try to justify their experiments by claiming it is for the greater good? Can the experiments be for nothing more than a quest for greed or power? In an underground bunker somewhere in the Midwest U.S.A., such an experiment is alive and well. It is up to you to decide if such an experiment is for the greater good or mankind's ultimate demise. Reporting on this experiment may be for the purpose of enlightening mankind or it may panic mankind to the core of their mindless, dreamy, mundane existence. Meanwhile there was Harrook. He wanted to enjoy. Sense gratification was what it was. Through...
