## New York for Sale: Community Planning Confronts Global Real Estate

---

By Tom Angotti

MIT Press Ltd, United States, 2011. Paperback. Book Condition: New. Reprint. 218 x 145 mm. Language: English . Brand New Book. Remarkably, grassroots-based community planning flourishes in New York City -- the self-proclaimed real estate capital of the world -- with at least seventy community plans for different neighborhoods throughout the city. Most of these were developed during fierce struggles against gentrification, displacement, and environmental hazards, and most got little or no support from government. In fact, community-based plans in New York far outnumber the land use plans produced by government agencies. In *New York for Sale*, Tom Angotti tells some of the stories of community planning in New York City: how activists moved beyond simple protests and began to formulate community plans to protect neighborhoods against urban renewal, real estate mega-projects, gentrification, and environmental hazards. Angotti, both observer of and longtime participant in New York community planning, focuses on the close relationships among community planning, political strategy, and control over land. After describing the political economy of New York City real estate, its close ties to global financial capital, and the roots of community planning in social movements and community organizing, Angotti turns to specifics. He tells of two...
