CALL OF THE VOID: THE STRANGE LIFE AND TIMES OF A CONFUSED PERSON

Createspace, United States, 2013. Paperback. Book Condition: New. 226 x 150 mm. Language: English . Brand New Book. Call of the Void is a crime novel which charts the journey of a young man, Gideon Peters, in search of an answer to one of life's most intriguing questions: what is the point and purpose of my existence? The story is set in pre-digital age Britain and spans the 22 years of Gideon's life from 1961 to 1983 as his quest takes him to London. At the request of his father, he enlists in a campaign to expose the political agenda of a secret cult within the capital. Gideon is taken to the limit of his physical endurance and moral courage in a traumatic encounter with its leader: the mysterious Magus; a man who will stop at nothing to protect his technology of hypnotic persuasion and the power it bequeaths to commit the perfect murder. No one is as they appear to be as Gideon is forced to confront his inner demons and his deepest fear: a compelling impulse to self destruction. Call of the Void has a strong philosophical, religious and spiritual theme with an emphasis on hypnosis. It is an exploration of the unconscious powers of the human mind written by a professional hypnotherapist. Through Gideon's eyes we are invited to challenge conventional ideas on the nature of reality, good versus evil, free will against determinism as he struggles to unravel the enigma of the baffling but commonplace urge to leap from high places: the Call of the Void. Set in an alternate world, great care has been taken to mirror historical accuracy as the story reaches its dramatic conclusion against the backdrop of the General Election in the United Kingdom in June 1983. Gideon is...
