MUTINY AND ITS BOUNTY: LEADERSHIP LESSONS FROM THE AGE OF DISCOVERY

[DOWNLOAD](#)

Yale University Press. Hardback. Book Condition: new. BRAND NEW, Mutiny and Its Bounty: Leadership Lessons from the Age of Discovery, Patrick J. Murphy, Ray W. Coxe, Violent mutiny was common in seafaring enterprises during the Age of Discovery-so common, in fact, that dealing with mutineers was an essential skill for captains and other leaders of the time. Mutinies in today's organizations are much quieter, more social and intellectual, and far less violent, yet the coordinated defiance of authority springs from dissatisfactions very similar to those of long-ago shipboard crews. This highly original book mines seafaring logs and other archives of fifteenth- and sixteenth-century ship captains and discovers instructive lessons for today's leaders facing challenges to their authority as well as for other members of organizations in which mutinous events occur. The book begins by examining mutinies against great explorer captains of the Age of Discovery: Christopher Columbus, Ferdinand Magellan, Sebastian Cabot, and Henry Hudson. The authors then identify lessons that entrepreneurs, leaders, and other members may apply to organizational insurrections today. They find, surprisingly, that mutiny may be a force for good in an organization, paving the way to more collaborative leadership and stronger commitment to shared goals and values.
