Brand New Book ***** Print on Demand *****.Excerpt from A Review of a Course of Lectures on Evolution: Delivered Before the San Jose University Extension Club The thoughtful and scholarly world will be slow to part company with the great Agassiz for the long-exploded theory now revamped by a new style of delivery. He found nothing in environment that could mature the germ of a fish, or bird, or quadruped, into any other than its own type. Or that could stop it short of its own type and leave it life. He said that the germs of a man at different stages could not be distinguished from the other germs either by the analysis of chemistry or the power of the microscope. Yet each was shut up to its own type. This can be explained only by the presence of an invisible spiritual Presence that determines the type. When science has answered this ground of Agassiz by incontrovertible facts, then it will be time enough to accept the fiat assumptions of the evolutionists. One cannot help recalling the ideas of James Martineau, in which...
