Not illustrated. 1898 Excerpt: .During the interval between the land and sea breezes in the forenoon, a heavy smoky haze frequently hangs over the land, obscuring everything from view, so that great care should be exercised when approaching the land shortly after daylight in these months. This haze also occasionally occurs during the calm hours of the evening. From the southward a vessel should not shoal into less than 12 or 11 fathoms between Port Chaul and Khandari Island, as in the vicinity From the Southward., .., f large fishing stakes extend some distance from the coast. When Khandari Island bears southward of east a course may be steered for the outer light vessel, which can be passed at a convenient distance on either side; thence a N. E. N. course will lead to the anchorage east of Sunk Rock, or proceed further up the harbour to the usual mooring...

Reviews

An exceptional pdf and the typeface utilized was fascinating to read through. It can be written in straightforward words and phrases instead of confusing. I am just quickly could possibly get a delight of looking at a written ebook.

-- Prof. Arlie Bogan

It is a single of the best book. This is for those who state there had not been a well worth reading through. Once you begin to read the book, it is extremely difficult to leave it before concluding.
