Brand New Book ***** Print on Demand *****.Ambassador Myles Frechette, himself a professional diplomat, calls Diplomarine a celebration of a life lived to the full serving the United States; a book I simply couldn't put down. Brown is a master storyteller who entertains and amazes you as he tells you about his life. He has a funny, unvarnished, almost swashbuckling style, and interweaves recollections of life as a Marine, diplomat and academic with wise reflections on what he learned along the way. He describes working on several continents as well as his experiences in ideological conflicts in Central America and Southeast Asia. His vantage point is not that of a senior military or diplomatic practitioner but of the man on the ground carrying out instructions sometimes based on an inaccurate understanding of local reality or, occasionally, on policies that cannot achieve their announced objectives. Empathetic, and with an instinctive cultural sensitivity, the reader can't help but admire his self-confidence, ability to spot opportunities and quick thinking. Juan Tamayo, of the Miami Herald, says Diplomarine is a great read for anyone interested in how the United States views and interacts with other countries and other peoples by a veteran diplomat, a 27-year veteran of the State Department, who was far more boots-on-the-ground than striped pants and suspenders. His snappy stories of good and bad ambassadors, smart and dumb U.S. policies, provide more lessons on foreign relations than any academic tome. Robert Morton, of NewsMax and Geostrategy, formerly of the Washington Times, adds, Brown is that rare former U.S. official who can both write well and keep readers awake simultaneously. In Diplomarine he makes a convincing case that there is no real substitute for life...
