Reviews

Merely no terms to spell out. We have read through and i also am confident that i will gonna read yet again again in the future. You will not sense monotony at anytime of your own time (that's what catalogs are for about should you question me).

(Pasquale Larkin I)

SCARED TO DEATH

Hachette Children's Group. Paperback. Book Condition: new. BRAND NEW, Scared to Death, Alan Gibbons, Late one night after a strange tube journey to Whitechapel in East London, Paul makes a new friend, John Redman - daring and enigmatic, just as Paul longs to be, away from his cloying mother (his only family - so he thinks). Redman charms Paul at once, but also a girl called Jude they meet on a night about town. A few days later, Paul learns that Jude has mysteriously died, and Redman has disappeared. Shortly after that, one of Paul's teacher dies suddenly - frightened to death - near where Jude's body was found. A link for sure. And Paul feels implicated, because both victims were known to him. He senses Redman, who comes and goes as it suits him, is involved as well. His new friend is dangerous. But so, we learn, is Paul. In uncovering the truth about Redman he learns shocking facts about himself. There's an evil curse loose in his family and Paul is the latest inheritor. The spree of death - camouflaged as copycat Jack the Ripper-style murders - will continue until Paul confronts the demon in himself head on.
