

What Big Teeth You Have [Luna Werewolves 3] (Siren Publishing Everlasting Classic Manlove)

Filesize: 6.91 MB

Reviews

An exceptional publication as well as the font employed was exciting to see. it was actually writtern extremely flawlessly and helpful. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Siren Publishing, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.[Siren Everlasting Classic ManLove: Erotic Alternative Paranormal Romance, M/M, werewolves, shape-shifters, sex toys, HEA] Ashkii Fisher is a bear shifter, and he has no place within the pack of luna werewolves. They are welcoming and kind, however, and after the death of his mate so many months ago, he cannot help but stay, even if he is somewhat disappointed they haven't killed him. Then he meets his mate, another omega luna werewolf who is running away from something. Ash thought he would have only one mate in life, so he is stunned to learn that he has another, and he won't let anything happen to this one. David Austen did something that very few omega luna wolves survive. He broke off his mating with the alpha that he'd spent years of his life with. Tired of being abused, he was willing to risk death to get away. Severing the connection didn't kill him, however, but his former mate just might if he finds David.
