I was never more deeply conscious of this limitation of mine than when I consented to write the present intro duction. The consciousness was further intensified by the fact that it is a book by one of the most acute thinkers of our times. It is a book of a thinker whose thought springs from the social reality, closely resembles it, and grows and develops along with it. The result is clarity, perspective, and an ever-present freshness hardly to be met with elsewhere. And all this with the purpose of freeing the path of economic progress...
