Just Another Yo-Yo Contest: A Memoir

By Michael Stearns

iUniverse, United States, 2007. Paperback. Book Condition: New. 226 x 147 mm. Language: English . Brand New Book ***** Print on Demand *****.A sixty-one-year-old, modern-day Don Quixote, author Michael Stearns applies for a job in law enforcement in Cody, Wyoming. After a staff psychologist's interview leads to a diagnosis of schizophrenia, Stearns takes a moment to reminisce on his amazing life journey. Told as a flashback, Just Another Yo-Yo Contest is a hilarious memoir spanning four decades of his adult life. Stearns, a high school dropout, works his way to the top of one profession after another. As a musician, he proves himself first-rate in at least a half a dozen bands that are world famous names. While playing in New York City, he is discovered by a visiting Hollywood theatrical agent, and he decides to return to the West Coast to pursue acting. From bit parts in television to starring roles in movies, Stearns shares behind-the-scenes tales of the rise of a struggling actor to the ranks of seasoned performer with over fifty filmed appearances to his credit. Stearns's life winds its way through a sex, drugs, and jazz beginning, into an extensive career as a film...
