By Ella Marie

Createspace, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.How long does it take you to get into the doctor when you are sick? Do you hate when you know you are getting something but they won't give you medicine yet? You have to wait until you have a full blown ear infection or respiratory infection before they will give you an antibiotic. We tend to take how we feel for granted until we get sick. A bacterial infection can linger for days, weeks, and even months. Most people turn to their doctor to get a prescription for an antibiotic. They must take it for up to 10 days and hope it takes care of the problem. If not, they have to go back to the doctor for a stronger antibiotic. Herbal antibiotics are very affordable. You may have several items already in your home. You can also buy products at your local health food store without a prescription. The problem with this is it can create havoc for the body. A person builds up a resistance to prescription antibiotics over time. The more frequently you...
