Createspace, United States, 2015. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.Before I begin to tell you some of the things I have seen and heard, in both of which I have had to take a share, now from the compulsion of my office, now from the leading of my own heart, and now from that destiny which, including both, so often throws the man who supposed himself a mere on-looker, into the very vortex of events-that destiny which took form to the old pagans as a gray mist high beyond the heads of their gods, but to us is known as an infinite love, revealed in the mystery of man-I say before I begin, it is fitting that, in the absence of a common friend to do that office for me, I should introduce myself to your acquaintance, and I hope coming friendship. Nor can there be any impropriety in my telling you about myself, seeing I remain concealed behind my own words.
