London Town Press, United States, 2005. Hardback. Book Condition: New. Clint Hansen (illustrator). 282 x 213 mm. Language: English . Brand New Book. Little Marty hatches a plot to trick the Tooth Fairy with a paper tooth. But when the clever fairy finds out what he s done, watch out! He s about to learn that she has a strong sense of justice-and an even stronger sense of humor! The warm childhood memories of Martin Nelson Burton find a perfect home in Clint Hansen s paper sculpture wonderland. The sequence of wordless pages in the book - where the Tooth Fairy flies to the boy s house, reacts passionately to finding out that the boy has tried to trick her with a paper tooth, then devises her own strategy to get even - make for a wonderful prediction exercise for young readers. A storytelling treat, this charming picture book offers a true story from the author s childhood that kids will recognize as authentic, as they lose their baby teeth and get visits from the Tooth Fairy themselves.
