Honno Ltd, United Kingdom, 2006. Paperback. Book Condition: New. New edition. 185 x 123 mm. Language: English . Brand New Book. First published in 1934 to great acclaim, this enchanting autobiographical novel set in the Welsh borders vividly evokes the essence of childhood and a vanished way of life through the eyes of nine-year-old Lucy. She describes the great events?haymaking, harvest, a seaside holiday?set against the tapestry of the everyday routines of summer and winter, with the constant background of the garden outside. There is the world of the imagination too, which includes the invested heroes and heroines of childhood whose deeds are as important as those of any real person. Recapturing this world in a deceptively simple style, this novel brings to life the whims, terrors, and intense feelings of childhood.
